May 13, 2022

WELCOME

Welcome to Wonderball 2022!

We, along with our visionary planning committee and dedicated museum staff, could not be more excited to celebrate the vibrancy of our creative community in person, once again.

Tonight, we look to the future. We pay homage to all that we have endured in recent years and honor those who use their talents to make the world a better place even amidst hard times. As we navigate new realities, we must also recognize how we are the co-creators of what's to come.

We invite you to envision what the future looks like alongside central Ohio's creative community. Enjoy tonight with an open mind and leave with a deeper understanding of how we can better cultivate our collective future, together.

Thank you for your support of the Columbus Museum of Art. We hope you have a positively wondrous experience this evening.
