any content area

This dynamic teacher professional development will inspire you with powerful ideas, concrete strategies, and connection to a community of passionate, curious educators. For teachers of all subjects and grade levels.

Based on the research-based, Cultivating Creative & Civic Capacities framework developed by the Columbus Museum of Art, Project Zero, and Ohio public school teachers, this four-morning PD will help you:

- *Foster creativity and civic-mindedness across your curriculum*
- *Engage and empower learners as imaginative, critical, compassionate agents building a better world*
- *Maintain purpose and connection in your practice*
